

A whimsical illustration of a mountain landscape. At the top, there are snow-capped mountains. A brown bear stands on the left, a skier is on a mountain peak on the right, and a magnifying glass is positioned near the center. Below the mountains, a snowboarder is shown on a snowy slope on the left, and a goat with large horns stands on the right. At the bottom, a snowcat is depicted on a patch of snow. A dashed brown line winds through the scene, connecting various elements. The text is centered in a dark green, bold, serif font.
